He said: One evening my wife and I were talking about this and that. After a while the conversation turned to euthanasia. I said to her:

– If anything should happen to me, please don't let me lie outstretched and be fed from a bottle. Turn off all machines keeping me alive!

My wife got up, turned off the TV, took my smart telephone off me, unplugged the computer and poured my beer down the sink plughole.

Women are quick to take the all-important decisions in life.
